Client Testimonials

InHouse session was best from SIMFOTIX. The trainer is excellent, and has a good knowledge on his craft. **DP World**

Excellent Training conducted by Simfotix Professional Development. The whole day was full of fun and learning. **Department of Economic Development, Dubai**

Since last two years My Company is working with Simfotix, and every time it is great learning experience. MS Excel is one of the most recommended Program with distinctive methodology and valuable deliverables**. ADNEC "Abu Dhabi National Exhibition Centre"**

The in-house training met the desired objectives for improvement in the Finance function. Group work throughout the two days and team presentation on various analytics put thing in the focus learning direction. Good output Simfotix. **Team Imdad Group.**

Easy way of transferring knowledge makes the learning more digestible. Great work Simfotix for the in-house session. **Emirates NBD Bank**

Simulation Board Game training is one of the great training course and materials. Super helpful for connectivity and engagement among our departments to upscale productivity. Thank you! **Ghobash Group**

Our team attended MS Excel Training with Simfotix and it was never so much learning before in this course. All skill levels on the course fully catered for with a very patient approach, it's worth attending. **DU Telecomm**

Inhouse Training with Simfotix Training for Credit Transformation Program goes with a Wonderful learning experience of our Credit Risk Team. Looking forward to engage them in other upcoming training. **Finance House Abu Dhabi**

Thank you Simfotix for a comprehensive and value training to our Saudi Arabia Finance Team. Case Study and exercises were the key element of this workshop. As Learning & Development we are satisfied to work with them in future. GM Learning & Development , **MAF Carrefour International.**

The Power Bi session was engaging and informative. Overall program outcome is what we agreed and delivered to our functional departments. We would like to do more programs with Simfotix.

What is PMP?

Project Management Professional (PMP) certification is an industry recognized credential for project managers. PMP demonstrates the experience, education, skill and competency required to lead and direct projects. PMP is the most sought after certification administered by the Project Management Institute (PMI), USA.

Project Management Professionals are imperative in every industry. The demand is in terms of the skill requirements which vary between different industries and geographies. As per recent survey report by PMI, there will be huge opportunities for **practitioners of Project Management**. As companies recruit people from various cultural backgrounds, the need for project managers with a standardized set of skills increases. These project managers would be expected to undertake projects on system reorganizations, turn strategic vision into tangible goals, and ensure effective and agreed outcomes, while balancing various project constraints.

Top 10 Benefits

1. **Differentiate** project, operations and program concepts.
2. **Align** Project and strategic objective.
3. **Understand** project manager roles and responsibilities in project organization.
4. **Practice** Requirement Gathering and Scope Finalization Techniques utilizing design thinking.
5. **Link** product, project and project management deliverables in MS Project.
6. **Define** and **Sequence** Activities, and their resources for Projects in MS Project.
7. **Finalize** the project baselines (i.e. Scope, Schedule, and Cost) using MS Project.
8. **Learn** Art, Science and Psychology of Executing the Projects with proactive approach.
9. **Forecast** Project Status by Utilizing Monitoring & Controlling Techniques using MS Project.
10. **Document** Lesson Learned, and Discuss Closing Strategies.

About PMI®

Project Management Institute (PMI®) was established in 1969 with six members. PMI® is the most respected and recognized management standards institute in the world.

Today PMI's membership surpasses 600,000 in over 180 countries.

PMI is comprised of over 250+ regional charter chapters and 30+ Community of Practices (CoP).

The main goal of PMI is to provide standards to the project management world.

One of their significant accomplishments has been creating and publishing the project management standard document, globally recognized as PMBOK®.
